**Carpenter/Skilled Laborer Position - Mountainwood Homes  
Beaverton, Oregon**

**Job Description:**

Award-winning, residential design/build construction company is looking for a carpenter/skilled laborer to join our team! A motivated worker with industry knowledge and great communication skills will find that this role offers the right amount of challenge and reward.

This role involves daily interaction with homeowners, trade partners and teammates to complete remodeling and home building projects on time and within budget. You are on the front lines of ensuring our clients have the very best experience while bringing their vision to life.

*Are you a self-starter?*

*Do you thrive in a fast-paced, work environment where you get things done and produce quality results?*

*Are you able to prioritize and manage time while maintaining accuracy and attention to detail?*

*Do you possess a can-do attitude and are a reliable teammate?*

If you answered “yes” to these questions, we would like to meet you!

**Skills & Minimum Requirements:**

- Perform physical labor
- Residential construction experience preferred
- Excellent customer service skills
- Punctual attendance and willingness to work
- Valid driver’s license, reliable transportation and pass a background check
- Ability to maintain a consistent 40-hour work week

**Duties/Responsibilities:**

- Must excel at working on higher-end projects
- Be extremely detail-oriented and maintain a clean job site
- Have a great attitude - specifically, a problem-solving outlook and the motivation to bring projects in on time and within budget
- Be comfortable working on all phases of a project (demo, protection, framing, light electrical or plumbing, drywall, trim, finish and rough cleaning)
- Arrive at the job on time and have tools to complete the job for that day
- Self-motivated
- Ensure company policies, procedures, OSHA and safety guidelines are met
- Possess knowledge of proper handling of materials, tools and approved methods of installation of various work scopes
- Ability to follow directions
- Great communication throughout the job with project managers, fellow employees and trade partners
- Ability to read and understand blueprints and work with limited supervision
- Provide excellent client experience throughout the project to ensure repeat business and client referrals

### **Competitive Compensation & Benefits**

- Full-time position
- Competitive compensation and benefits (health, vision and dental)
- Salary depends on experience
- Eligibility for company retirement plan
- Vehicle allowance
- Company-paid fuel
